

Job Title: Ranch Hand (Full Time)

Location: Multiple locations in the Nebraska Sandhills

The Ranch Hand position will provide an opportunity to work with a progressive livestock operation at ranches in the Nebraska Sandhills. This position requires a willingness to work with ranch interns and managers as a complete unit.

The Ranch Hand may be involved with feedlot/backgrounding yard operations, yearling development, heifer development, maternal herd management, terminal herd management, and spring/summer calving. In addition, the ranch hand may also assist with range management, artificial insemination, and records management. The position may also include seasonal tasks such as assisting with pivot irrigating and meadow haying operations.

Some experience with haying, pivot irrigation, and calving is preferred. A long-term interest in ranching and ranch management is a must. Assume other duties as assigned. **For more information about Lone Creek Cattle Company, go to www.lonecreekcattleco.com.**
