EMERGENCY POLICIES AND PROCEDURES

Accident or Illness
You should report any illness or accident to your RA. If illness or accident prevents your return to the residence hall after a weekend or other period away from campus, your RA or the Residence Life Manager should be notified.

In Case of Emergency
In case of life-threatening emergencies, call 911. If possible, also contact the staff member on duty. For non-life-threatening emergency situations please contact a Residence Life staff member and the Frontier County Sheriff’s Office.

Fire Alarms
State law, as well as residence hall policy, requires that all students leave their room and/or public areas when a fire alarm is sounded. Failure to evacuate during an alarm will subject the student to NCTA disciplinary action and/or civil action. If the fire alarm sounds, take the following action:

1. Leave lights on.
2. Wear a coat or blanket and hard soled shoes.
3. Leave room, close and lock the door.
4. Go to the exit. Walk swiftly and do not run or push.
5. Assemble outside of the hall at a safe distance from the building (in extreme weather conditions, waiting in the lobby of the nearest hall).
6. Do not return to the hall until an all-clear signal has been given by a campus official.

Smoke Detectors
Smoke detectors are provided for your safety in each room and should not be tampered with or disconnected.

1. Smoke detectors become activated when too many combustible particles accumulate in the air.
2. A loud, high pitched noise will alert you to evacuate.
3. If you determine that there is no fire or danger, air out your room/apartment by opening a window and fanning the smoke detector to stop the alarm. Do not open your door to the hall, as it could set off the fire alarm for the whole building. It is important that you be aware that the smoke detector does not automatically alert the fire department.
4. If your smoke detector goes off repeatedly when there is no fire or makes other unusual noises, please fill out a work request form.
5. It is a serious violation to disconnect or tamper with a smoke detector. Disciplinary action will be taken if detectors are found damaged or removed due to vandalism.

Tornado Alarms and Shelters
When you hear the continuous siren, you should go to the tornado safety area of your hall or nearest area of cover. Seek shelter at the lowest available floor, clear of all windows. Do not use elevators. Tune your radio to the local station for updated weather information. The following is a list of the shelter areas in the residence halls:

   3. If the above actions are unsuccessful in locating the student or it is apparent immediately that the student is a missing person (e.g., witnessed abduction), the Frontier County Sheriff's Office will report the missing person to the National Crime Information Center of the Department of Justice and contact the appropriate law enforcement agency to report the student as a missing person and request their assistance as the lead investigating agency on the case.
