

# How to Set Your Canvas ID & Password

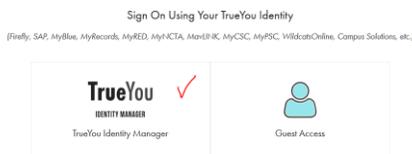

Go to → [TrueYou.nebraska.edu](https://TrueYou.nebraska.edu)

Once you have claimed your identity, from the two emails sent after the application process, complete the following steps.

-**Select** 'Login' from the top right corner of your screen.

-**Click on** 'TrueYou Identity Manager'

-**Login** using your NUID and Password

-From the Account Services Screen **Select** 'Change Password'

## Account Services

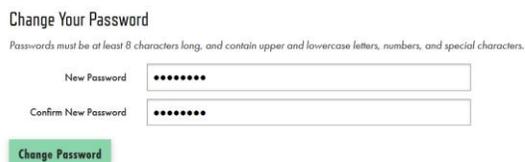

-Your Account ID is next to the **RED 'N'** example: jdoe14 (write this down),

A. **Select** the bubble next to the **RED 'N'**

B. **Enter** a new password: *Passwords must be at least 8 characters long, and contain upper and lowercase letters, numbers, and special characters.*

C. **Click** the Green 'Change Password' button

When completed correctly, you will this screen

**TrueYou** | IDENTITY MANAGER

---

**Change Password**

You have successfully changed your password information.

[Return to Manage Accounts](#)
