

ACADEMIC COUNCIL MEETING

December 8, 2015

12:00 PM – Conference Room, Ag Hall

MEMBERS:

Eric Reed	Brad Ramsdale
Doug Smith	Barb Berg
Mary Rittenhouse	Scott Mickelsen - absent
Kevin Martin - absent	Glenn Jackson - absent
Vicky Luke (recorder)	Jennifer McConville

The NCTA Academic Council Meeting was called to order at 12:00 P.M. with the above referenced in attendance.

Proposed New VT Classes

- Moved to next meeting

Extension of an Incomplete – Barb Berg

- Has been resolved

Math Pre-requisites – Eric Reed

- Math pre-req's have been suggested by Tee and Ruth
- Talk of a test out for Math.
- It is felt that test out for VT math needs to come out of the VT program
- Not certified for math placement tests...needs to look into it
- Cannot super impose regulations
- Discussion on the best way to cover
- Eric will bring information back to next meeting
- Test outs and pre-req's would include College Algebra, Stats and Trig

Human Relations Replacement – Eric Reed

- Eric is suggesting we add a new course to replace Human Relations
- Course would have a LDR prefix
- After discussion students would have the option to take this or Human Relations
- Different leadership styles will be modeled
- Discussion
- Need to look at a solution to have a transferable PSY class for our students
- Politics class would be beneficial for our students and meet the civic engagement
- Possibly a transferable governmental class rather than a leadership nontransferable class

Permission for Intro to Chem II Dual Credit – Eric Reed

- Offering all 3 Chemistry classes online
- Chem II is dual credit only
- Chem I in the fall and Chem II in the spring
- Could be ready for our students in the spring, definitely summer.
- Eric would like instructor to receive payment

- Academic Council informed Eric that he needs to bring the completed form in to begin and then back at the end for actual payment.

The meeting was adjourned at 12:40 pm
