NCTA names Spring 2021 Dean’s List, Honor Roll

CURTIS, Neb. – Academic honors for 54 Aggie students at the Nebraska College of Technical Agriculture in Curtis were announced for the spring semester of 2021.

“Aggie students demonstrated grit and determination in their academic efforts this spring,” said NCTA Dean Larry Gossen.

“Students applied themselves with in-person classes and academic programs throughout the year, but particularly in a very busy spring semester which included opportunities for academic team travels and club activities outside of the classrooms, too,” Gossen added.

NCTA concluded final exams on May 4 and held an outdoor graduation on May 6.

To be eligible for the NCTA Dean’s List or Honor Roll, students must be fulltime enrollees, with at least 12 credit hours for the semester.

The sole two-year campus of the University of Nebraska system, NCTA offers academics in veterinary technology, agribusiness, agricultural education, and agriculture sciences.

Ten students earned a perfect 4.0 grade point average for the Dean’s List. The Dean’s Honor Roll included 44 students with a GPA of 3.5 to 3.99. Honor students represent nine states.

**NCTA Deans List** (4.0 GPA) Towns are in Nebraska unless listed otherwise:

Part of the University of Nebraska system, the Nebraska College of Technical Agriculture is a two-year institution with a statewide mission of preparing students for successful careers in agriculture, veterinary technology and related industries. NCTA is known for its affordable tuition, high job-placement rate for its graduates, and for the success of student teams in competitive activities including crops judging, ranch horse events, livestock judging, shotgun sports, stock dog trials, and intercollegiate rodeo. The college is consistently ranked as one of the best two-year schools in the nation.
