NCTA names Fall, 2020 Deans List, Honor Roll

CURTIS, Neb. – Academic honors for 48 Aggie students at the Nebraska College of Technical Agriculture were announced Wednesday for the fall semester which featured 16 weeks of in-person classes at the campus in Curtis.

“I am proud of these students making the Deans’ List and Honor Roll during a challenging time of their college journey,” said NCTA Dean Larry Gossen.

“The ability for NCTA to conduct in-person classes on campus with extensive hands-on learning was advantageous to all of our students and their instructors,” Gossen added.

Students must be fulltime enrollees, with at least 12 credit hours for the semester to be eligible for the academic designations. The only two-year campus of the University of Nebraska system, NCTA offers academics solely in veterinary technology and agriculture sciences.

Thirteen students earned a perfect 4.0 grade point average for the Deans List, Gossen said. The 35 students with a GPA of 3.5 to 3.99 are on the Deans Honor Roll.

Classes began Aug. 24 and concluded Friday (Dec. 11) with final exams. Honor students represent eight states.

While some universities and colleges conducted many of their courses remotely, NCTA had in-person experiences in classroom, laboratories, limited traveling, competition teams, and field experiences such as at the NCTA campus farm, livestock facilities and the veterinary technology complex.

**NCTA Deans List** (4.0 GPA) Towns are in Nebraska unless listed otherwise:
Gillian Brinker, Anchorage, Alaska
Tiffany Dickau, Elwood
Amy Egelhoff, Lincoln
Koltyn Forbes, Bismarck, N.D.

Logan Wamsley, Sidney
Allison Wilkens, Gibbon
Ashley Nicole Wright, LeRoy, Kansas
Spring semester courses will begin January 11, 2021. See ncta.unl.edu for registrations or details on dual credit classes for high school students.

Part of the University of Nebraska system, the Nebraska College of Technical Agriculture is a two-year institution with a statewide mission of preparing students for successful careers in agriculture, veterinary technology and related industries. NCTA is known for its affordable tuition, high job-placement rate for its graduates, and for the success of student teams in competitive activities including crops judging, ranch horse events, livestock judging, shotgun sports, stock dog trials, and intercollegiate rodeo. The college is consistently ranked as one of the best two-year schools in the nation.
