Ag Internship Opportunity!

**Employer:** Legacy H Farms (Tony Horinek & Aaron Horinek)

**Where:** Row crop farm located 6 miles west of Colby, KS

**When:** Summer 2021, May - August

**Intern:** Must be age 18 or older with some ag experience. Must be willing to learn new skills to contribute to crop production.

**Wage:** We offer competitive wages. Starting hourly rate is dependent upon experience.

**Job Description:** As a member of our team at Legacy H Farms, you will gain hands-on experience in every aspect of our crop production. This includes: crop scouting, monitoring of irrigation moisture sensors, on-farm agronomy trial experience, grain marketing, maintenance and operation of high-tech equipment— including the use of precision planting, nutrient replacement, and drones.

If interested, please contact us ASAP! Call 785.458.9311 or email us at legacyhfarmsks@yahoo.com.
