Now Hiring: Agronomy Interns

Spring/Summer 2021
Locations: Aurora, Bladen, Blue Hill, Bruning, Cedar Bluffs, Elwood, Fremont, Hebron, Juniata, Maywood, Red Cloud, and Shickley
To apply please contact Steve Tietjen at stietjen@nordersupply.com

Role Purpose
This internship is designed to develop agronomic skills and become versed in crop scouting techniques. Candidate will perform crop-scouting duties and learn the basics procedures about providing crop input recommendations. Interns will also be expected to complete all other duties as assigned by the supervisor while displaying Norder Supply’s core values and to support our purpose of assisting our customers in achieving maximum net return per acre.
