We are a progressive small animal clinic in search for the right technician to join our healthcare team. We are a busy clinic, therefore you must be self-motivated, willing to work as a team, trustworthy, honest and hard working. Duties include but are not limited to- dental procedures, x-ray, lab work, surgery prep and assistance, educating clients, and much more. Some benefits include, health insurance, retirement, paid vacations, paid holidays, and more. If you are ready to join a wonderful team please send a resume and referrals to Animal Medical Clinic attention Evan. Looking forward to meeting you.
