
RANCH INTERNSHIP OPPORTUNITIES

BRUSH CREEK RANCH - Atkinson, Nebraska

Brush Creek Ranch is hiring Summer interns who have an interest in the livestock industry. Brush Creek Ranch is a working cattle ranch in North Central Nebraska.

About the Ranch: Brush Creek Ranch pastures cow/calf pairs, yearlings, and fall cows and utilizes an intensive grazing system throughout the ranch. The ranch is over 15,000 acres and cattle are rotated through the pastures. Transportation includes horses, 4-wheelers, and pickups.

Interns will experience and learn many facets of animal production agriculture.

- *Intensive grazing practices
- *Move cattle daily
- *Grazing & rainfall charting
- *Horse health & care
- *Herd health management
- *Doctoring
- *Fence maintenance
- *Pipeline water systems

QUALIFICATIONS & SKILLS: We are looking for Ag students who will be available from Mid-May until near the 1st of August. Students with an Ag/Ranching background given preference. Must have enthusiasm, good work ethics, and a respectful, positive attitude. Non-smokers only.

**Horsemanship and roping skills are a plus but not necessarily required.

WAGES & WORKLOAD: Starting wages \$12 and up depending on experience. Work weeks will be approximately 50 hours. Housing provided.

Apply today and join our crew!
