

HEARTLAND PET HOSPITAL IS HIRING!

LICENSED VETERINARY TECHNICIAN

Heartland Pet Hospital is seeking a Licensed Veterinary Technician. Current Veterinary Technician students enrolled in an accredited program will also be considered. The ideal candidate will understand the importance of each client and patient to our business, and be committed to treating them with the highest level of warmth, competence, and professionalism.

We promote a family atmosphere in our fast-paced, growing hospitals located in Bellevue and Papillion. The Heartland Pet Hospital shared values are: compassion, dedication, trust, teamwork, education, and we love to have fun!

As a Licensed Veterinary Technician at Heartland Pet Hospital, your primary responsibility will be to communicate and educate our pet owners about preventative care and wellness. Other responsibilities include performing dental cleanings, dental radiographs, assisting in surgery, obtaining lab work samples, placing IV catheters, filling prescriptions, and treating hospitalized patients. We offer digital radiology, digital dental radiology, in-house lab, ultrasound, and laser surgery.

Benefits: highly competitive hourly wages based on years of experience (\$18-\$22), flexible hours, health and dental insurance, 401K retirement plan (with a 3-5% match after 1 year of employment), continuing education allowance, and pet benefits!
