### Youth Policy

The University of Nebraska-College of Technical Agriculture (NCTA) has implemented a Youth Activity Safety Policy to provide a safe environment for youths participating in NCTA sponsored activities, clinics or conferences. Our policy includes safe interaction guidelines as well as background and sex registry checks for Activity Workers. This policy will help to protect participating youths from potential misconduct incidents and help provide a safe, educational and enjoyable activity/program experience.

1. In the case of an emergency or accident involving your youth, parents/guardians will be notified, following notification of the appropriate emergency personnel.
2. All NCTA activities will comply with NCTA's Youth Activities Safety Guidelines.
3. As parent(s) or legal guardian(s) you give permission to this activity to use photos of your child in promotional media.

### Disciplinary Action

The activity directors of university-sponsored activities, clinics and conferences reserve the right to immediately dismiss any youth from the activity, clinic or conference who is found to have violated behavioral expectations. Dismissed youth will be sent home at their expense and will be responsible for all other expenses associated with their dismissal. Parent(s)/guardian(s) will be immediately notified of the youth's dismissal.
